Rotary

People of Action

Rotary is where neighbors, friends, and problem-solvers share ideas, join leaders, and take action to create lasting change.

Impact starts with our members — people like you who see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

At club meetings in communities across the globe, our people of action come together to strengthen their connections to friends and neighbors and their commitment to improving lives.

HVORFOR ARBEIDER ROTARY FOR FRED?

Vold og konflikter driver millioner av mennesker på flukt hvert år

Halvparten av de som blir drept er barn, og 90 prosent sivile.

Vi nekter å akseptere konflikter som en naturlig del av livet. Rotaryprosjekter gir opplæring som bidrar til mellom-menneskelig forståelse og ferdigheter i å løse konflikter.

Rotarys internasjonale engasjement

Gjennom:

- Serviceprosjekter
- Peace Fellowship
- Stipender

Rotary tar tak i de underliggende årsakene til konflikter

- Fattigdom
- Ulikhet
- Etniske spenning
- Mangel på utdanning
- Urettferdig fordeling av ressurser

FOKUSOMRÅDER

- Fred og konfliktforebygging/løsning
- Sykdomsforebygging og behandling
- Vann og sanitær
- Barn- og mødrehelse
- Grunnutdanning og leseferdighet
- Økonomi- og samfunnsutvikling

The Rotary Peace Centers: Kort historikk

Uppsala Rotary Peace Center

December 2016

Welcome Class XVI

Every year the Uppsala Rotary Peace Center, hosted by the Department of Peace and Conflict Research at Uppsala University, welcomes talented and committed professionals as students in the Peace and Conflict Master Program.

This year we are excited to know that professionals from the Americas, Asia, Sub-Saharan Africa, and Oceania will be sharing their professional experiences on conflict prevention, youth and women empowerment, human rights, immigration, refugee crisis, and natural resources management, among other topics.

The Uppsala Rotary Peace Center gives them a warm welcome and wishes them a fruitful path in enhancing their academic background and enjoying the student life at Uppsala University!

"It was lunch-time, I was at work just staring at my computer when the e-mail from Tyler came in. I read the e-mail 3 times before it sunk in that I had been selected. I held on tightly to my desk, should I scream, should I jump, should I laugh or cry? What should I do? I had been selected from among thousands of applicants as a rotary peace fellow. It was an indescribable feeling!" (Maria Osula, Kenya, Fellow Class XV)
